NOTES FROM STEPHEN & MATT

We've brought together a group of players and staff who are not only talented, but who genuinely care about what this club means to the people of Worcester. Every signing has been made with purpose- we're building a team that reflects the pride and passion of this city.

The revealing of our new signings has had an amazing response on social media. The fans are part of this journey with us, and that connection, between pitch and stands, is what drives us. We're building something gritty, exciting and full of heart.

This is a new era for Warriors. It's a challenge we're embracing together, and every Warrior who pulls on that shirt knows exactly what they represent. We're here to compete, to inspire and to make Sixways a fortress once again.

MATT EVERARD, HEAD COACH

This is more than a season ticket; it's your invitation to be part of something special as we rebuild Warriors together. We're making matchdays at Sixways an unforgettable experience for every fan - from the energy in the stands, to thrilling rugby on the pitch, and to the entertainment around the ground.

We know that people need flexible options when it comes to matchday, which is why we've made it easier than ever to secure your seat with payment installments. We also want the next generation of fans and players to be inspired and that's why kids under 12 go FREE when buying an Adult Season Ticket in Tier 2 and Tier 3 seating categories. It's about making Warriors a club for all generations.

From your first pint in the Fanzone to the final whistle, we're raising the bar across every corner of Sixways. Whether you're a long-time supporter or joining us for the first time, we can't wait to welcome you home.

STEPHEN VAUGHAN, CEO

There will be no Platinum Season Tickets or Debentures in our first season back.

How do I purchase parking?

We are still finalising our plans for the operational delivery of matchday parking and as such we have decided to delay the launch of 2025/26 Annual Car Parking Passes.

What will my matchday experience be like?

We are really excited to have Worcester Warriors matchdays return to Sixways and we plan to deliver an exceptional match day experience which is full of entertainment, both on and off the field.

Our Fanzone will be back bigger and better than ever. We will have fantastic food and drink options, live music, on-pitch challenges, and fun activities for the whole family.

Bars underneath the East Stand will be open and the South Stand Food Village will serve a range of food options too.

We are investing in technology to make customer buying experience better than ever. This includes a traditional style of service PLUS newer methods such as QR code ordering, self-serve beer walls and more.

In hospitality we will serve a wide range of delicious food, deliver first class service and offer an opportunity to network with local, regional and national businesses.
