NOTES FROM

MATT & STEPHEN

We're extremely proud of the growth shown across this historic first season, coming together as a whole new squad and staff has been special and something everyone involved won't ever forget.

Seeing the support of our Warriors fans both at Sixways, but also on the road has been incredible and as a team we are so thankful for everyone this season.

Heading into next season, we are excited to see the continued growth of the current squad but also the external recruitment will add quality and experience as we prepare for another exciting campaign at Sixways.

MATT EVERARD, HEAD COACH

From the very beginning, we said a season ticket at Sixways would be about more than just rugby. It's an invitation to be part of something special, a chance to rebuild Warriors together.

This season has delivered some unforgettable moments. From the emotional return against Bath, to multiple sell-out crowds, to the incredible connection growing between supporters and this newly formed squad, the energy around Sixways has been undeniable.

Off the pitch, the matchday experience has continued to grow. The EBC Fanzone and food village have been hugely popular, while post-match access to the pitch has created lasting memories for supporters of all ages. The sight of hundreds of people of all ages on the pitch is something that fills us with pride, and the community engagement we have built this year is only the beginning. In 2026, we'll also launch our development pathway programme, ensuring local talent has a clear route to wear the formidable blue and gold one day.

Finally, a massive thank you from us all at Worcester Warriors to everyone who has been part of this journey, whether you've been with us for years or joined us for the first time this season. Your support is vital, and together, we're preparing to unlock the next level.

STEPHEN VAUGHAN, CEO
