MATCHDAY FILMER

Worcester Warriors | Rugby Performance Analysis

Location	Sixways Stadium, Worcester, WR3 8ZE
Department	Rugby
Reports to	Head of Analysis
Hours	Match days, with potential opportunities for both home and away games
Age	16+

About the Role

Are you looking to gain valuable experience in professional sports performance analysis? Worcester Warriors are looking for a committed, enthusiastic individual aged 16 or over to join the performance analysis team as a Matchday Filmer.

This is a fantastic opportunity to experience the professional rugby environment, develop practical filming skills and play an important role in supporting the analysis team on match days.

Who Should Apply

This role is ideal for someone who is passionate about rugby and keen to build experience in sports analysis. It would be particularly suited to a young Worcester Rugby fan looking to get closer to the action while gaining valuable experience to add to their CV.

The successful candidate will be required to film during Championship matches and should be reliable, enthusiastic and willing to learn.

What We Will Provide

- Training and guidance on filming using a range of professional technology and cameras.
- The opportunity to become part of the performance analysis team on match days.
- Hands-on experience within a professional rugby environment.
- Support in developing your skills and, where possible, help identifying future paid opportunities.
- The opportunity to attend during the week to gain further experience within the analysis department.

What We're Looking For

- Aged 16 or over.
- A genuine interest in rugby and sports performance analysis.
- Reliable, committed and enthusiastic.
- Willingness to learn new technology and develop practical filming skills.
- A professional attitude and the ability to work as part of a team.

How to Apply

Please submit a single PDF to hello@warriors.co.uk containing:

- A one-page CV.
- A statement of no more than 200 words explaining why you should be chosen for this role.

This is your opportunity to gain real matchday experience, develop your skills and become part of a professional rugby analysis environment.
