

ACCESSIBILITY MISSION STATEMENT

Worcester Warriors are pleased to support the 2019 Level Playing Field Weeks of Action. This annual initiative, now in its 14th year, aims to celebrate accessibility and inclusion for disabled sports fans across England and Wales.

Disabled people constitute the largest minority group at around 15% of the population and this number is increasing year on year. Naturally, a large number of disabled people are rugby fans too and we are pleased to take this opportunity to thank our own disabled fans for their continued loyalty and dedication to this great club.

But we also appreciate that many disabled people have yet to share the passion and pleasures of being a rugby fan. Worcester Warriors are pleased to provide:

- Dementia Friendly Stewards
- Disability aware Stewards
- Accessible facilities
- A Safe Place scheme (for more information contact simon.northcott@warriors.co.uk)

As such, Worcester Warriors are pleased to support the Level Playing Field Weeks of Action 2019. We are joining together with sports clubs, fans and organisations across England and Wales who are all #WeeksOfAction2019 and have chosen to share one common message:

access and inclusion for all
